

Public Works Projects

Over the summer there are going to be various construction projects in West Linn, which may impact traffic flow.

2012 Paving Project dates are June 25, 2012 through August 15, 2012. Rosemont Road paving is complete (striping and some incidental items remain). **COMPLETE**

2012 Crack Sealing Project dates are June 25, 2012 through August 15, 2012 **COMPLETE**

2012 Slurry Seal Project dates are August 27, 2012 through August 31, 2012 **COMPLETE**

View information about Public Works projects (2012-2013) below. A list of street paving projects is included along with a City map showing projects in your neighborhood. A link the to the City map and information about street maintenance is provided at the bottom of this web page.
